Applications are now open for places in the Gifted and Talented class at Matraville Sports High School for Year 7, 2015. The aim of the class is to provide an academically challenging learning environment for talented students in a local co-educational setting.

Forms are available on the school website, please complete and submit to the school, with attached documentation by the 27th June (end of Term 2). Successful applicants will be notified of placement in Term 3.

**Program supported by UNSW School of Education**

**How will teachers differentiate the curriculum for my child?**

Differentiation involves modifications of the curriculum through adjustments to content, processes and skills. It provides a curriculum that matches the ability of gifted students to:

- Learn at faster rates
- Find, solve and act on problems more readily
- Manipulate abstract ideas and make connections to an advanced degree

**As a part of the Key School arrangement with UNSW we offer:**

- A dedicated extension program delivered by the University
- GERRIC scholarships for Matraville SHS students

---

**What will be provided for your child?**

*Academic enrichment with particular focus on:*

- Creative and Performing Arts
- Science and mathematics
- Creative writing
- Design and Technology

*The program includes:*

- Cross-curricular units of work
- Participation in local and NSW visual art and design competitions
- Academic competitions such as ICAS
- UNSW tutor support
